

Basics of Poker

CARD DISTRIBUTION

The dealer distributes the cards face down starting with the player to his or her immediate left and continuing clockwise, one card at a time until everyone has two cards.

BASICS OF POKER

Poker is played with a standard 4 suits 52 cards deck. In the game players compare their hands according to the hand rankings.

LOOK AT YOUR CARDS

This is the time to evaluate how strong your hand is.

SHOWDOWN

Showdown occurs among the players who remain in the game after the River. Whoever has the winning hand takes all.

CHIP IN

Every player places an agreed, equal amount of bet. Whoever wins takes it all.
